

Logging into ResultsHQ – Families can view their children's results at:

[www.resultshq.com.au](http://www.resultshq.com.au)

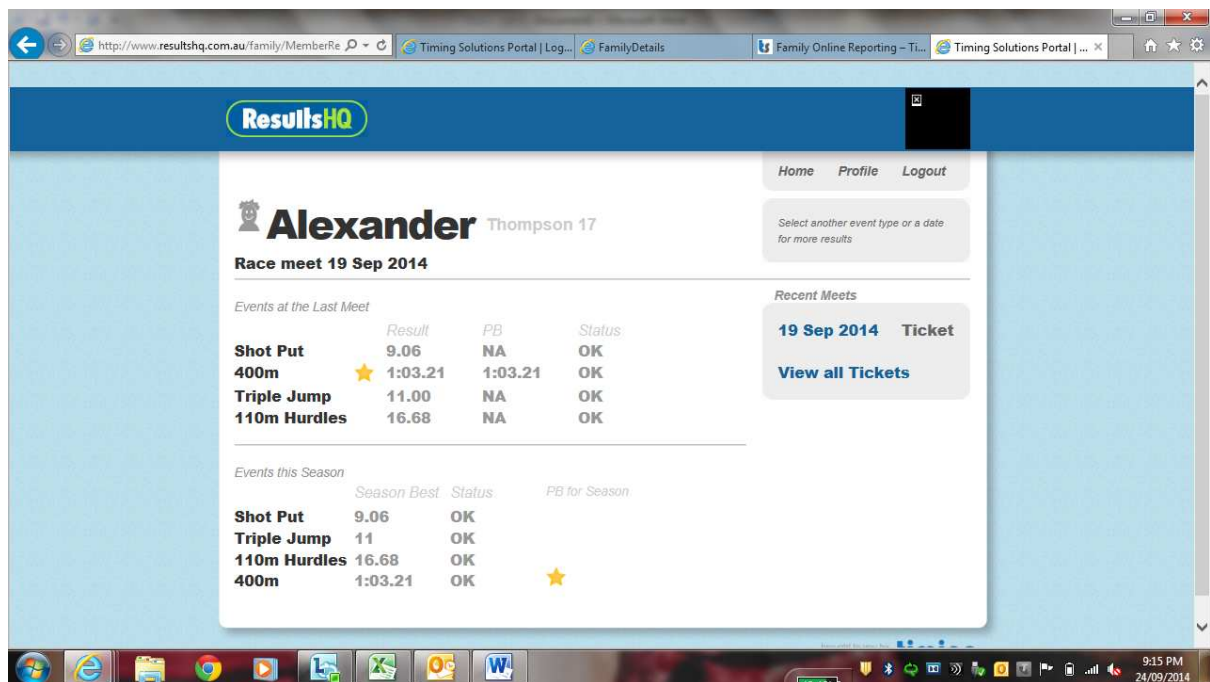

You will see the screen below, put your email address in that you completed on your registration form and password, if you do not remember your password, click on the forgot your username or password link and follow the prompts.

Once you log in, you will see the following screen. This will show your family name as well as all your children in that family.

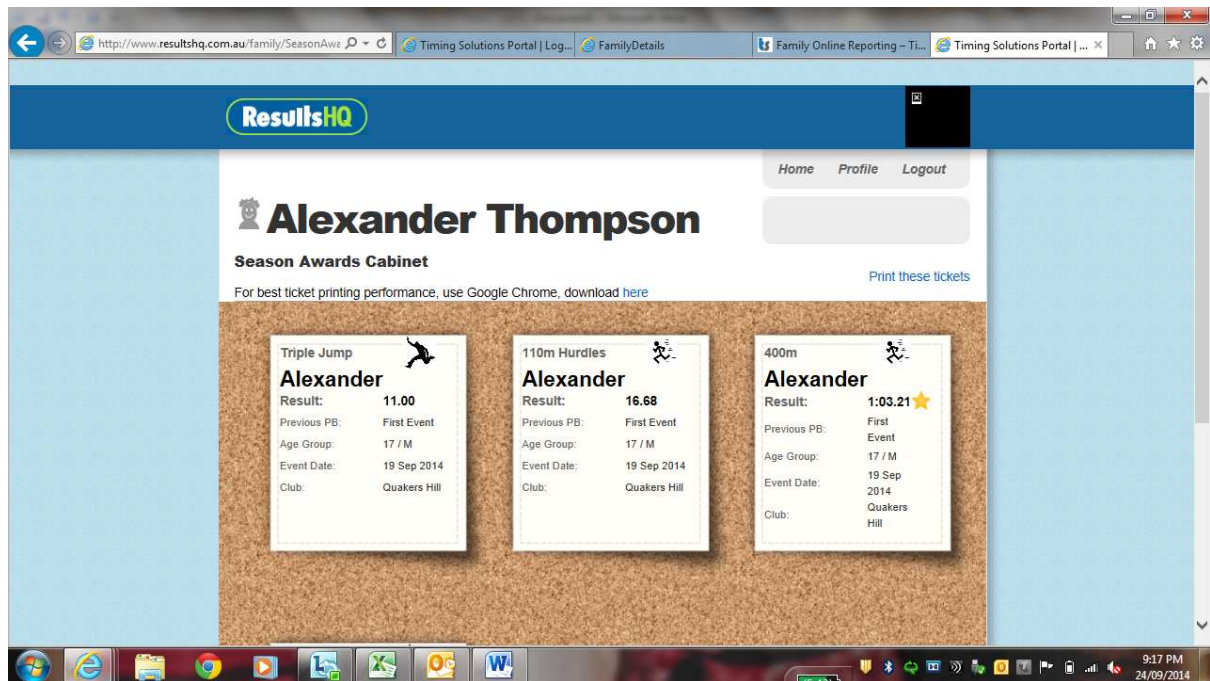

You then click on the child's results that you are after and the following will appear.

The Gold Star indicates a PB for the season.

You can also click on View All Tickets and the following screen will appear:

This is where you can print the tickets from to put in your book that was supplied to each child when they received their registration numbers.

If after completing all of the above, you are still having problems, can you please email [tarnya.new@optusnet.com.au](mailto:tarnya.new@optusnet.com.au) who will forward to you your email address and password. If after receiving this information you find that the email address is incorrect, please re-email Tarnya with the correct email address.
